john patrick diggins - iasc-culture - john patrick diggins introduction at a conference on political thought held at yale university several years ago, one session addressed the question: "does democracy require foundations?" panel members who took part in the session were responding to the idea, derived from french poststructuralism and deconstruction, that we must learn to live in a world without philosophical absolutes ...

thorstein veblen: a new perspective* - thorstein veblen was an economist and sociologist who regularly incorporated anthropology, philosophy, and psychology into his numerous written works on american society. during "the early 1900s. in his writing, veblen transforms keen analytical observations of "normal" social structure and processes into cynical social criticism. to develop his ideas, nearly every aspect of social ...

thorstein veblen and the politics of war, 1914-1920 - thorstein veblen and the politics of war, 1914-1920 christopher capozzola thorstein veblen has often been misunderstood. this is particularly true of veblen during the years of american involvement in world war i, when the works of this creative thinker and complex writer sometimes led readers to draw contradictory conclusions from the same texts. a frequently repeated tale that demonstrates ...

was thorstein veblen a revisionist marxist? - was thorstein veblen a revisionist marxist? 469 unfortunately, veblen ended his lecture with a mischaracterization of marx's theory and that is that marx subscribed to thomas robert malthus's theory of
